Who We Are

Internal Affairs Interiors Pvt. Ltd is a full service interior design firm that undertakes interior designing and execution jobs, has been in this industry for last 15 years. It is a young as well as professional organization with really talented and hardworking team working under it. Our team comprises of experienced designers, consultant architects & engineers and site supervisors who have a thorough knowledge in this field.

Though Internal Affairs is very young, but in the span of 15 years it has created a niche on its own for its quality and exclusivity. It has done interiors of various projects ranging from Bungalows, Apartments, Offices, Showrooms, Hotels, Restaurants, Hospital and Clubs

Speciality & Services

Internal Affairs provides Custom interior design services for Residential and Commercial projects in a broad range of styles and sensibilities. Meaningful urban concepts executed in a simple way & designed to accommodate different individual taste and need for a modern, classic, contemporary or simply fusion & harmonious living space. We earnestly respect clients view and work according to their budget, needs & time scale.
